Product Overview

This outstanding Mitre Saw easily cuts Steel, Aluminium and Wood (even wood with nails), using just one blade. Aimed directly at the DIY enthusiast this incredible saw inhabits the same technology as Evolution's professional range of Multipurpose Saws. The Twin Clamp system allows for an extremely accurate cut, whilst helping to build confidence in even the most inexperienced power tool user. The FURY3 also features an in-line handle and switches, enabling right or left handed use. An essential addition to any home workshop.
